ZP₂ Zapp Puretm

clean water system **UV System**

Engineered for cleaner, healthier Pool, Pond, Fountain Water

Water circulates thru the ZP2 chamber and around our NSF high intensity, lamps immediately inactivate 99.9% of micro-organisms such as crypto, giardia and algae which resistant to chlorine. Dramatically reduces the amount of other sanitizers being used, to provide cleaner, clearer water environment with zero harmful by-products.
